

Buy a brick, leave a legacy — buy a brick, leave a legacy

*The Foundation for the
Howard and Georgeanna Jones Institute
for Reproductive Medicine
invites you to become a part of a
special commemorative opportunity.*

*The Jones Institute is one of the
great success stories in the history of
reproductive medicine.*

The Jones Institute building, which is connected to Lewis Hall of Eastern Virginia Medical School, is a four-story building that features a first floor atrium and a beautiful outdoor courtyard.

The *Baby Brick* tradition began more than ten years ago when the Jones Institute building was built and dedicated. The courtyard is now paved with hundreds of commemorative bricks inscribed with children's names, birthdates and birth places, as well as loving messages from parents, grandparents, families and friends.

The *Baby Brick* courtyard which has become a legacy at EVMS, is visited daily by students, doctors, patients and friends of the medical school.

Brick Inscriptions

The bricks may be inscribed with three lines/18 spaces per line (including blank spaces).

For example, you may want to consider these types of messages when designing your brick:

OPTION 1

**Mary Ellen Jones
July 20, 2005
Norfolk, Va.**

OPTION 2

**Mary Ellen Jones
We Love You
Nana and Pop**
